Pembina, Edmonton, AB

GORGEOUS!!! No better way to get into home ownership than this beautiful 3 bed 2.5 bath townhouse in the heart of all the action on the north side. This well maintained home has had fantastic upgrades over the last few years including laminate floors, HWT (3 years), Dishwasher (2 years), and a brand new washer and dryer this year! Combine this with the already amazing stainless steel appliances, gas fireplace and full dining area and you've got a winner. Upstairs is 3 ample bedrooms, 2 full baths and aforementioned laundry. Downstairs you'll get a large closet and a separate storage room along with access to the garage. The garage on this one is very unique its currently a single with a very neat flex room/gym/office but can easily be converted back to a double by removing one wall. This complex is very well run, healthy, and close to Walmart, MOVATI, Henday, and various restaurants and shopping

Built in 2007
